

Nordea Women's Finance Insight Programme 2021

Nordea is currently inviting students of the Stockholm School of Economics to the first edition of its Women's Finance Insight Programme. The programme will serve as an introduction to equities and investment banking, and we wish to offer you valuable insights to the life as a finance professional at Nordea.

Throughout the six-week programme, you will get to meet professionals from our Equities and Investment Banking divisions and learn how these divisions interlink. You will also participate in case-cracking and valuation workshops with our experienced team.

Participants of the programme will be offered a fast-track interview process to internships within Equity Research (summer 2021) and Investment Banking (fall 2021 or spring/summer 2022).
